Small treasures that erase the line between craft and art...

Featured treasures by local artists include new works by Ridgefield basketmaker **Kari Lønning**, Pound Ridge glass artist **Martin Kremer**, South Salem jewelry artist **Robert Dancik**, and glass bead artist **Cynthia Liebler Saari**. Other collections include gold jewelry by **Rebecca Myers**, **D.H. Ostrander** and **Ayesha Mayadas**, woven and sewn scarves in wool, cotton and silk by several gifted fiber artists, and small constructions of wood and found objects by **Richard Rockford**. New works in ceramics and handmade folding knives by a variety of well-known makers round out our exhibition of beautiful things.
