

NEW EXHIBITION AT THE IRONWOOD GALLERY

# MARK WALLIS

“Visual Poetry”

OCTOBER 20 – NOVEMBER 18, 2001

**Artist's Reception Sunday, October 21, 2-5 pm**

The Ironwood Gallery is pleased to feature Indiana artist Mark Wallis, an inspired sculptor whose works share common

themes of whimsical shapes made from exotic woods — painted and stained, rough-carved and smooth — visual concepts that delight the eye.
