Norm **SARTORIUS**  
Merryll **SAYLAN**  
Betty **SCARPINO**  
David **SENGEL**  
Mark **SFIRRI**  
Jack **SLENTZ**

More than fifty recent works by eighteen of America's foremost wood artists.

This extraordinary exhibition, which coincides with the Yale University Art Gallery show, *Wood Turning in North America Since 1930*, celebrates the aesthetics of contemporary turned wood objects and the conventional and unconventional techniques used in their production. The complex sculptural forms to whimsical visions to functional designs.

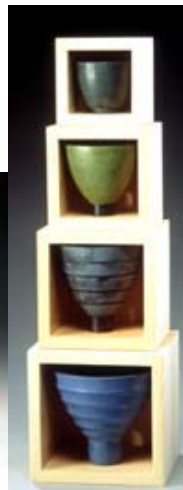

**Tomorrow's  
heirlooms  
await.**
